# DUAL ENROLLMENT OPEN HOUSE

**JULY 18, 3-5 PM • OCT. 17, 3-6 PM**

Imagine graduating high school with college credits already under your belt. It is easier than you think! Just enroll in dual enrollment courses at the Tennessee College of Applied Technology Livingston.

Dual Enrollment lets you enroll in a course that counts toward your high school graduation as well as earns you college credit at the same time. TCAT Livingston may partner with your high school to provide this exciting opportunity. Please check with your counselor or contact the TCAT Livingston dual enrollment coordinator for more details.

Join us for one of our upcoming Open House events to learn more information about the opportunities available. During each event you will discover dual enrollment programs, learn more about admissions, financial aid, student life, and much more!

- Refreshments & giveaways (while supplies last).
- Parents are encouraged to attend.
- Learn more about the multiple selection of classes.
- Meet TCAT Livingston faculty.
